

BREATHAKER

HOTEL & SPA

BELOW SNOWLINE TRANSFER SERVICE

Exclusive to Breathmaker Hotel & Spa guests...

We provide a service that is unsurpassed on Mt Buller.

A trip to the snow can be loads of fun, but the logistics around getting here can be quite a challenge.

One of our highest demands during winter is our very popular Below Snowline Transfer Service.

We offer our guests the following:

- Meet our drivers, transfer your luggage and then lock your car securely at The Sebel - Pinnacle Valley Resort (located at the base of Mt Buller).
- Be transported by our professional drivers to and from Breathmaker Hotel & Spa.
- You will be driven straight to the hotel, no stopping at other lodges as with a taxi.
- No need to worry about purchasing or hiring snow chains.
- All resort entry fees included — no waiting in long queues at Mt Buller Toll Gate.
- Your luggage will be delivered to your room by our hotel porters.

FREQUENTLY ASKED QUESTIONS

Q Is it more expensive than doing it all myself?

A Yes, it is. However, when you take out all the extra inconveniences, the premium is worth it.

Q I have small infant children. Do you have the ability to transport infants?

A Yes, we now have the ability to transport infants. You will be required to transfer your infant's car seat into our vehicle.

Q Can I leave at anytime?

A No. You must pre-book on one of our set times. Please note that space is limited and subject to availability.

Q When do I pay for my transfers?

A 100% deposit is due when you book your transfers and they are confirmed by our reservations staff.

Q Do I need to carry or hire chains?

A No. You will meet our professional drivers below the snow line, they then transfer you up and down the mountain.

Q Does any other hotel on the mountain offer this service?

A No. Breathmaker is the only hotel to offer this exclusive service.

Q Are the Breathmaker drivers experienced in snow driving conditions?

A Yes. All Breathmaker drivers have extensive experience driving in snow and challenging weather conditions.
